

# ENDA 2022

ENVIRONMENTAL CHANGES – LEADERSHIP CHALLENGES

14 -17 SEPTEMBER 2022

## DEAR COLLEAGUES

We are delighted to invite you to the 15th ENDA conference in Iceland, September 14<sup>th</sup> - 17<sup>th</sup> 2022. The conference is a forum for nurse directors, nurse leaders and nurse educators from all over Europe to share practical experience and evidence from nursing research and to share ideas and put forward solutions to meet these challenges. The year 2022 will be a special year for ENDA – we will celebrate our 30<sup>th</sup> anniversary and we encourage all nurse directors and nurse leaders to participate in our conference.

## CONFERENCE TOPIC

The topic of this conference is Environmental Changes – Leadership Challenges. The evolving environmental changes are a huge challenge also for nurses and nursing all over Europe as well as globally.

## VENUE

The congress will be held in Hotel Selfoss. The hotel is located 50 kilometers from the capital Reykjavik and 90 kilometers from Keflavik, the international airport. Hotel Selfoss is an attractive and peaceful four star hotel, known as an excellent location for larger or smaller conferences. The hotel has six comfortable and technically well-equipped meeting rooms.

## CONFERENCE LANGUAGE

The conference language is English.

## SOCIAL PROGRAM

A welcoming reception and the congress dinner will be held at a spectacular site. After the conference, interesting excursions will be available to experience the beautiful surroundings.
